Once there was a Snake called Jane. She lived by the lake at the end of the lane. Her cave was in the shade and it was in the rain.

'Rain is a pain', she said to her mate Dave the snail. 'Let's go to Spain by sail or by rail. I want to play in the sun today.' Jane and Dave got the train to Spain. They spent all day playing games in the waves with a whale. They sprayed the whale's tail and the whale chased them all the way back to the bay. Then they laid on the beach and made daisy chains.
